

## Risk assessment

Company name: Cam Cricket Club

Assessment carried out by: Sally Selby

Date of next review: September 2021

Date assessment was carried out: 08/03/2021

What are the hazards?	Who might be harmed and how?	What are you already doing to control the risks?	What further action do you need to take to control the risks?	Who needs to carry out the action?	When is the action needed by?	Done
Getting or spreading coronavirus by not washing hands or not washing them adequately	Competitors Coaches Children Visitors	Ensuring that hand sanitiser and hand washing facilities are available at all times. Signs are up-reminding people about hand washing. Provide water, soap and hand sanitiser at all times. Ensure people are briefed about where hand washing facilities are.	Put supervision in place to ensure that people are following government guidelines	Parents Club committee Players	As soon as training is taking place.	

What are the hazards?	Who might be harmed and how?	What are you already doing to control the risks?	What further action do you need to take to control the risks?	Who needs to carry out the action?	When is the action needed by?	Done
Getting or spreading coronavirus by not cleaning surfaces, equipment and workstations	Competitors Coaches Children Visitors Workers	Following a cleaning schedule. Cleaning frequently touched surfaces every hour. Ensuring hand washing guidance is followed	More bottles of hand sanitiser available for general use. Wear PPE, if required.	Workers Committee	May 2021	
Getting or spreading coronavirus by not hand washing or sanitising after using the equipment	Competitors Coaches Children Parents Visitors	Asking everyone to bring and use their own equipment Ensuring that breaks are given to encourage hand washing/sanitation Cleaning equipment after use Ensuring equipment is named before use (AllStars)	Ensure that children try not to share equipment Ensuring that parents know it is their responsibility to ensure children have their own equipment and it is named	Activators Coaches Parents	May 2021	

What are the hazards?	Who might be harmed and how?	What are you already doing to control the risks?	What further action do you need to take to control the risks?	Who needs to carry out the action?	When is the action needed by?	Done
Contracting or spreading the virus by not social distancing	Everyone	Ensuring that players maintain the 1m+ social distancing rule Ensuring a one-way system to enter and exit the field Ensuring social bubbles do not mix Ensuring cleaning and hand washing guidelines are followed.	Making sure breaks to allow hand washing are taken. Signs for the one-way system around the field Remind players to socially distance Ensure activities are set up with enough space to allow no mixing of social bubbles.	Coaches Players	Ongoing-assessed every session and reminding parents	
Increased risk of infection and complications for vulnerable players	Players Coaches Visitors	- Identify who in your work force fall into one of the following categories: Clinically extremely vulnerable People self-isolating People with symptoms of coronavirus	Ensure that vulnerable people are following government guidelines and ECB rules.	Everyone	Ongoing-assessed every session and reminding parents	

What are the hazards?	Who might be harmed and how?	What are you already doing to control the risks?	What further action do you need to take to control the risks?	Who needs to carry out the action?	When is the action needed by?	Done
		<p>Groups who may be at higher risk of poorer outcomes (see the Public Health England report Disparities in the risk and outcomes of COVID-19)</p> <p>Discuss with employees what their personal risks are and identify what you need to do in each case</p>				

Signed by Club Chairman:  (Steve Ballard)

Agreed by Cam Cricket Club committee.
