DYNAMOS PARENT CONTRACT

Dear Parents,

Thank you for supporting Dynamos at Cam Cricket Club this year. We are running Dynamos on a Saturday morning from 9-10am. The club house will be open for drinks.

For us to run smoothly, we have had to implement new rules for 2021. Please can you read through and sign the contract, so we know you have read and understood what is expected this year.

- ❖ Ensure your child has their own equipment (bat and ball) and that it is clearly named.
- ❖ Ensure your child brings a named drink and hand sanitiser to every Dynamos session.
- ❖ Please observe the one-way route round the club house and grounds. We will enter by the cricket nets and exit the ground by the entrance to the car park.
- ❖ Please always maintain 1m+ social distancing.
- ❖ Children will be placed into a Dynamos bubble. Ensure children know who their bubble is.
- ❖ Breaks for hand sanitising and toilets will be every 20 minutes to comply with government and ECB guidelines.
- ❖ Ensure you always stay on the ground, where you can see your child.
- ❖ At least one parent per family must accompany their child.
- ❖ First Aiders will be identified at the start of every session. If your child needs first aid, then we will ask you to attend to them. We ask that you do not approach the children unless asked, due to COVID restrictions.
- ❖ At the end of the session, it is parents' responsibility to ensure that your child has and leaves with their own equipment.

We are all looking forward to seeing you at Dynamos this year.

Sally Selby

Lead Dynamos Activator

I have read and understood the above contract for Dynamos at Cam Cricket Club.
